JRC Fiscal Report

With the Covid crisis and shut down essentially over, The Jesuit Retreat Center ended 2022 with \$4,248,916 in net assets.

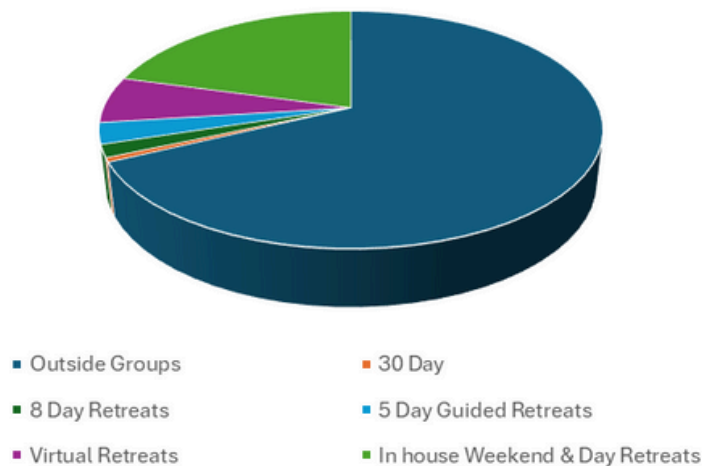

As JRC started to transition back to hosting in-house retreats, we observed an increased interest in the Retreat Center, which was sparked by the virtual retreats that replaced the regular schedule during the pandemic.

The financial support from our donors played a vital role in ensuring that the Retreat Center stayed on course to resume retreats on campus. Contributions consistently surpassing expectations. Donations, along with foundation support, accounted for 25% of the operating budget.

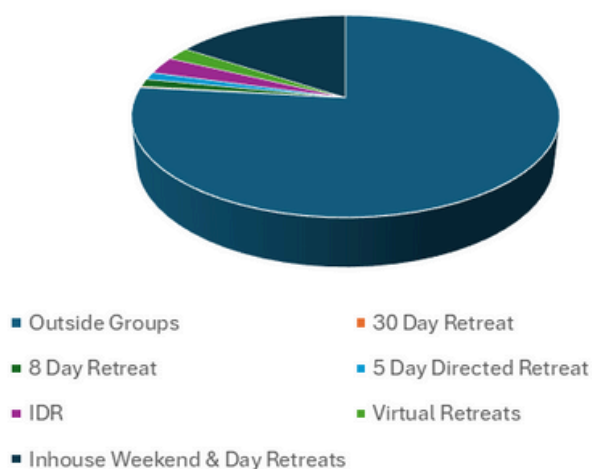

The expenses associated with administration, facility maintenance, and daily operations have risen. In 2022, income exceeded that of 2021 but due to rising expenses, net assets were \$202,842 less.

We appreciate the support that The Jesuit Retreat Center of Los Altos receives from individuals, groups, and foundations.

Mission

Through our sharing of the Exercises of St. Ignatius Loyola, rooted in the Word of God and in the Catholic tradition, the Spirit frees minds and hearts to mature in friendship with Christ, to find God in every aspect of experience, and to live Gospel values.

We fulfill our mission of bringing people closer to God by providing numerous retreats, workshops, training programs, and individual direction to thousands of individuals who come to the Jesuit Retreat Center each year.
