JRC Fiscal Report

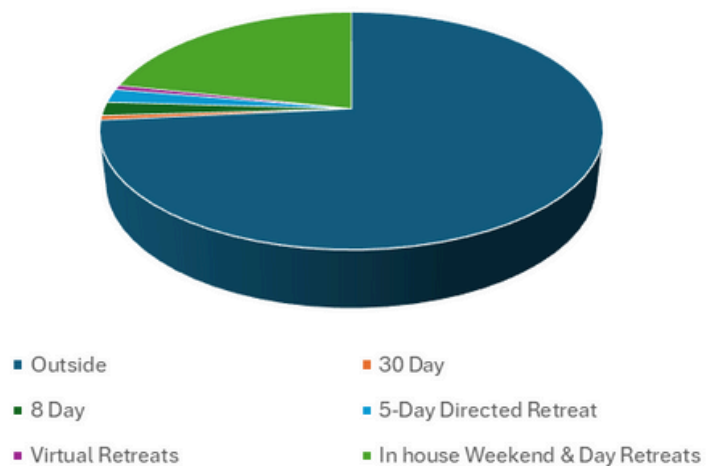

Donations and foundation grants along with retreat and program fees resulted in a strong 2023. The \$2,833,079 year-end income triggered an IRS required audit for The Jesuit Retreat Center.

The firm of BPM gave The Jesuit Retreat Center an “unmodified opinion” which is the best opinion that an organization can receive.

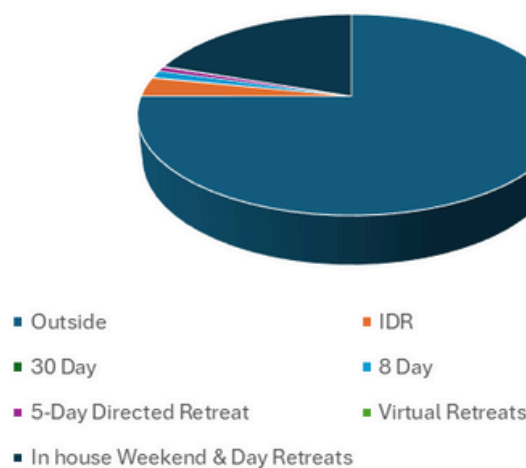

The expenses associated with administration, facility maintenance, and daily operations have continued to increase but contributions consistently surpass expectations. Donations, along with foundation support, accounted for 25% of the operating budget with fees from in-house retreats and programs as well as outside groups providing the balance.

We appreciate the support that we receive from individuals, groups, and foundations as well as the outside groups and retreatants who come to The Retreat Center of Los Altos seeking spiritual refreshment and tranquility.

Mission

Through our sharing of the Exercises of St. Ignatius Loyola, rooted in the Word of God and in the Catholic tradition, the Spirit frees minds and hearts to mature in friendship with Christ, to find God in every aspect of experience, and to live Gospel values.

We fulfill our mission of bringing people closer to God by providing numerous retreats, workshops, training programs, and individual direction to thousands of individuals who come to the Jesuit Retreat Center each year.
